Welcome to Your Affiliate Marketing Center

PLEASE READ THE FOLLOWING:

TO GET STARTED: click on the Links & Tools tab above. You will see three links at the top of the page: 'email' text' and 'banners'. Toggle between these links to choose sample emails, text links and graphic images/banners. Simply copy the HTML code and post on your website, blog, social networking sites, emails and newsletters. You may copy as many links as you like, and post them to multiple locations.

ABOUT AFFILIATE LINKS: Your affiliate link sends people to the film website and tracks them as being a visitor from your account. You receive commission on purchases made by your visitors. In addition, when one of your visitors signs up to become an affiliate they become your 'referral'. **You receive an additional referral commission on sales made by your referrals. This means anyone who comes to the film website, through one of your links, and signs up as an affiliate, automatically becomes one of your referrals, even if you did not refer them to us directly! And you then receive an additional commission on sales made by your referrals!**

NOTE: there is a sample 'Become an Affiliate' banner and text link. This may be used to send your associates to our site to become an affiliate, and leads them directly to the affiliate sign up page, instead of to the trailer.

NOTE on GRAPHIC LINKS: You do not need to download the graphic images. You simply copy and paste the HTML code, and it links to the graphic image stored on our server. The graphic image will appear on your website, blog, or wherever you post the image.

PLEASE UPDATE YOUR ACCOUNT NOW:
Please visit the PROFILE tab above, and complete the following information: name, address, email, URL, Tax ID or Soc Sec #, and Paypal Email. We need this information on file to pay your commission. Commissions are paid monthly, and deposited directly into your Paypal Account. NOTE: if you do not have a paypal account you can set one up for FREE at: www.Paypal.com

3. After you read through the Welcome Page, **CLICK ON the LINKS & TOOLS** in the Menu Bar at the top of page.

Tips to Become a Successful Affiliate

Here are a few suggestions on how you can maximize your success with the affiliate program:

1. set up your affiliate links as soon as possible! Post them on your website, blog, in emails, newsletters, or tweet them in twitter, post them on facebook, myspace, or any other online social media sites you use to contact your subscribers.
2. Post your links in an 'Easily Visible Location'. Putting a text link at the bottom of a long scroll page, in the middle of several other links, will not bring you beneficial results. We suggest you post the BANNER links (images of DVD cover) as the image is much easier to see.
3. Post a short description about the film, near the link, so people know WHY they should go View the Trailer, or Get the DVD. Some sample text phrases are included on the next page.
4. As soon as your links are posted, send an email announcement to your LIST! Direct them to your affiliate link. Include a short description of the film. If your email is in HTML, you can include the affiliate link directly in your email. Same with your newsletter!
5. Ask us for a coupon! We work with our affiliates, and provide promotional incentives. If you have a special event, newsletter, email announcement, and would like to offer your subscribers a special savings, we can generate a coupon code, for a limited time offer, that will give them a substantial discount. And this coupon is only available from you, our Preferred Partner!
6. Follow up. A good way to get results, is to send an email announcement to your list, then send a follow up a few weeks later. Many people INTEND to go do something, but just get busy, and they appreciate the reminder!
7. Tweet, Tweet, Tweet. Follow us on Twitter and Facebook. You will receive news, events, and uplifting message! Then as you receive our tweets....RETWEET them to your list, along with your affiliate URL! (use the tinyurl that is available within your account).

As you receive our posts on Facebook..forward them on to your list..or simply send a message to your Facebook friends, and include your affiliate link to send your friends to view the trailer.
